Monday, June 14, 2010

**\*\*\*SUMMER CAMP** this year will be Held at our Hatch Elementary School Site only. You can find Summer Camp information on the attendance table.

---

Judy Shintani, our Art Specialist has been doing a great job again this year. Her focus has been environmental art. She made that wonderful colorful tree with the children in the Kool Kids room and is currently working with the children on masks representing the four elements, earth, wind, fire and water. The children are adding something new on to their mask each week. The children express their feelings in their own work of art.

We found that Cooking is the most popular club and the kids think that Miss Lorena should have her own cooking show. The children in the Sea Lions room ask Miss Mercy for the recipe almost every time they do a cooking activity. Yesterday the Sea Lions made Apple Crisp. Very yummy....The Kool Kids made Chocolate Chip Cheerio Cookies.....surprisingly delicious.

Summer's almost here! Sign up for Summer Camp at our Hatch Elementary School Site.
