SUMMER CAMP!

CCP Half Moon Bay

Worms and CCP

Dear CCP Families,

We had an amazing Week 1 with the involvement of worms – but not the unwanted kind! The kids worked with the HEAL project coordinators at the Hatch Elementary School garden to learn about composting for our up and coming Heritage Garden housed behind Room C.

Did you know that during Week 1 the kids...

- Played tug of war
- Visited Ace Hardware to buy seeds and pots to start planting projects
- Had a rowdy game of softball
- Zipped around in razor scooters

Best,

CCP Summer Camp Staff

WEEK TWO HIGHLIGHTS

San Jose Discovery Museum Trip – Wednesday!
Mentos and Coke Experiment
Beach!!
Water Balloon Toss
Coastal Bike Ride
Ocean in a Bottle

IMPORTANT REMINDERS:

- San Jose Discovery Museum Trip on Wednesday! Please be at camp by 8:30am! Field trips forms due asap.
- Summer School starts on Monday – there will be no care after school this Wednesday due to the field trip
- If you are interested in free lunch for Weeks 3-5 of camp, please let Agnes in the Admin Office know
- Remember to bring sunscreen & water bottles!
- If your child would like to bring sports equipment to camp, please label it with his/her name
- There are several weeks of summer camp that are entirely at capacity – if you hope to sign up for future weeks of camp, we urge you to do so now!
- Pizza Friday is \$5 if you want to participate!
