## **After Summer School Care & Sports Camp**

Dear CCP Families,

For those of you that have children in summer school with the school district – you may have realized that we have field trips every Wednesday! For week 3 we will have care for children that are in summer school so that they will not have to miss school this Wednesday.

Week 3 is the start of Sports Camp here at CCP. The roster is entirely full – so if you are not already signed up we will not be able to accommodate additional children at this camp. Also as a reminder to those that are signed up – sports camp kids do not go on the Wednesday field trip but instead have their own local trips!

Best,

CCP Summer Camp Staff
