

## WEEK 4

July 6- July  
9, 2010

SUMMER CAMP!

CCP Half Moon Bay

### SPORTS CAMP!

Dear CCP Families,

We had a great start to sports camp this summer. Baseball was this week and the 35 campers that participated had a great time! Next week is hockey and the kids will be headed up to the high school rink and the Sharks Tank is scheduled to be around for our camp, too.

We are entirely full for our soccer and basketball camps – but have a few slots left for Hockey, Golf, and Football if your camper is interested.

Please remember that most of our camp is high impact – meaning they are outside and running around – please remember water and sunscreen. Although it's foggy here in the morning, the sun can get pretty intense by noon!

Best,

CCP Summer Camp Staff
